Platte County Commission Releases January Sales Tax Numbers

The Platte County Commission released the sales and use tax numbers collected for January 2012. The County Sales tax received for January 2012 showed an increase of +13.9 % over sales tax collected in January 2011. The use tax, however, took a significant dip with a negative -26.7% reported over January of 2011. Together, sales and use tax collected in January 2012 was a negative -1.3% when compared to January of last year.
