Question: (two-thirds majority passage rate)

Shall there be an increase in the tax levy for a period of three (3) years, from eighty and thirty four hundredths cents (\$.8034) per one hundred dollar (\$100.00) assessed valuation to one dollar and fifty and thirty four hundredths cents (\$1.5034) per one hundred dollars (\$100.00) assessed valuation for general municipal purposes including fire suppression services?

(The proposed tax levy includes a temporary tax levy to purchase fire suppression services from the city of Kansas City, MO. In 2011 the City of Lake Waukomis' general government tax levy of \$.8034 per one hundred dollars (\$100.00) assessed valuation, and a temporary tax levy of \$.70 per one hundred dollars (\$100.00) assessed valuation totaled a combined tax levy of \$1.5034 per one hundred dollar (\$100.00) assessed valuation. The previous three-year temporary tax levy of \$.70 per one hundred dollars (\$100.00) assessed valuation expired in 2011. The proposed temporary tax levy is in the same amount as the previous temporary tax levy of \$.70 per one hundred dollar (\$100.00 assessed valuation.)
