

## ***Prairie Creek Greenway dedicated as National Recreation Trail during Tour of Missouri celebration***

On Monday, September 8<sup>th</sup>, Platte County Parks celebrated their National Recreation Trails award. Prairie Creek Greenway has been designated as a National Recreation Trail! This great honor belongs to about 1,000 trails nationwide. Prairie Creek Greenway was the only trail in Missouri to receive this award in 2007. Congressman Sam Graves joined the Platte County Commissioners to celebrate this recognition. About 50 people from around the county braved the cold windy day to have fun, eat hamburgers and brats and cheer on the professional cyclists in the Tour of Missouri.
