

## **Progress Update**

### **Pleasant Grove and Buena Vista Culverts Replacement**

**December 14, 2007**

#### **Scope of Work:**

Improvements include the removal and replacement of existing culverts on Pleasant Grove Road west of Ball Knob Road and Buena Vista Road west of Hwy DD. Existing culverts will be replaced with metal arch culverts on concrete substructure.

#### **Design:**

Platte County has worked with the consultant, Shafer Kline & Warren to produce the plan sheets.

#### **Acquisition:**

No property acquisition is necessary. Work will be performed within roadway easements.

#### **Utility Relocation:**

No utility conflicts are anticipated for these culverts. Platte County will coordinate with the utilities during construction.

#### **Bidding:**

The project bid request was made July 26<sup>th</sup> 2007. Bids came back August 23<sup>rd</sup>, 2007. This project was awarded to the lowest bidder, McKinley Inc.

#### **Construction:**

The notice to proceed was November 26<sup>th</sup>, 2007. The contractor closed the roads to remove the drainage structures December 6<sup>th</sup>, 2007. The box culverts have been removed and the contractor has started excavation for the arch foundations. The final completion is scheduled for January 24<sup>th</sup>, 2008.
