

Liberty Hills Country Club-Hwy. 210 via Dry Creek

Construction Priority: Second

This 3.36-mile, off-road, soft surface, equestrian trail is along Dry Creek and enters into open, rolling pastureland south of Liberty Hills Country Club. Further south, this trail continues to parallel Dry Creek through oak, cottonwood, maple and numerous other tree species. The trail offers access to rich wildlife habitat areas and where connections to the Missouri River are possible.
