

# Smithville Lake/Hwy. 291 via N. Stark Road

Construction Priority: Third

This 8.78-mile, off-road, hard surface, shared use trail runs along Stark Road. As the user travels south from Smithville Lake, the trail will cross the multi-use corridor that runs along NE 168th Street. Further south, the user will cross the bike route that runs along Highway 92 before terminating in the Somerbrook Subdivision. Users will experience rolling terrain, wildlife, and farmland and stream crossings on this trail.
