

# Cooley Lake Route

Construction Priority: Third

This 2.89 mile hard surface, off-road, shared use trail passes through a waterfowl refuge, Cooley Lake Wildlife Management Area, and links Missouri Highway 210 to Ridge Road. The trail is within the Missouri River's flood plain here and all skill levels can handle this flat terrain through farmland.

## TRAIL EVALUATION

	From	To	Distance	Uses	Trail Type	Trail Surface
Segment 1:	Ridge Rd.	210 Hwy.	2.89	Shared Use	3	Hard Surface
