

Waukomis/Riss/Weatherby/Tiffany Springs Route

Construction Priority: Third

This 11.73 mile, off-road, hard surface, shared use trail goes through and around three man-made lakes. Hills, land bridges, greenways and an upscale residential area denote the experience of this route. All levels of trail users can enjoy this route which

easily links Lake Waukomis on the east, Parkville Nature Sanctuary, Weatherby Lake and terminates at Tiffany Springs Park on the west.
