

Ferrelview/Dearborn via Interurban Road

Construction Priority: First/Second

This 19.57 mile, off-road, hard surface, shared use trail connects Dearborn with Ferrelview. Rolling terrain through rural areas typify this route as the user passes the Interurban Road Historic Monument, Camden Point and Platte Falls Wildlife Area on the way south to Ferrelview. Once at Ferrelview, connections will be available to other trails in Platte County.
