

## Platte County Announces Launch of New Online Software Program

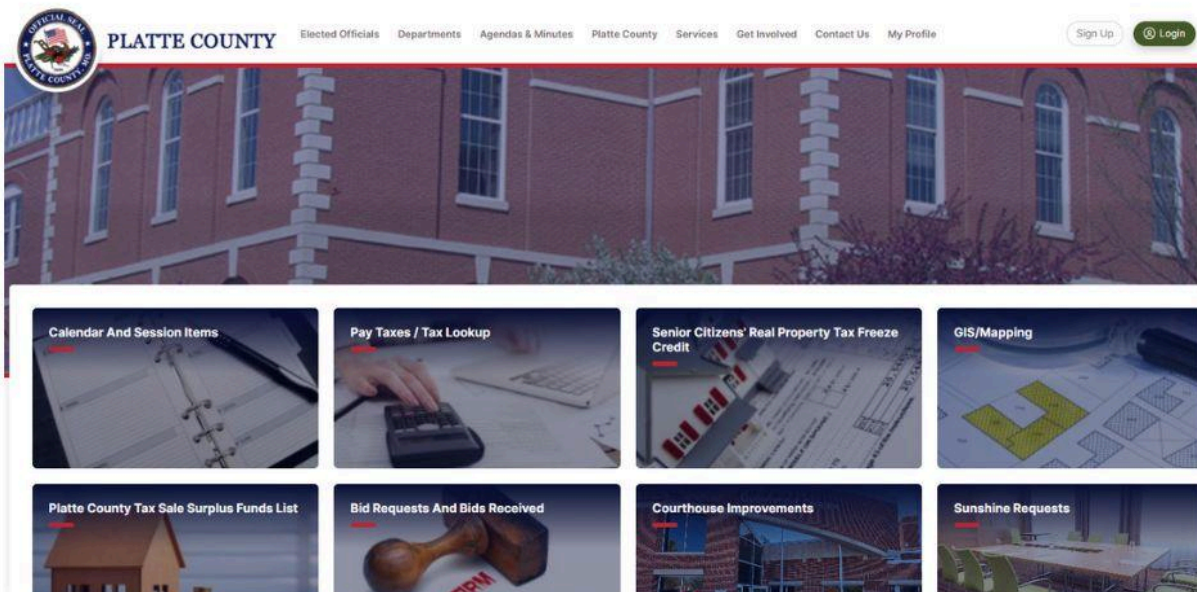

Citizens can now apply for a building permit, submit and track your development application, request tow and liquor licenses, request a building inspection, pay fees, download documents, apply for a job, and submit a senior citizen's real property tax freeze application online.

Additional online services like park reservations and driveway permits will be activated soon.

***To access online services simply go to the County webpage and create an account, sign in and go to "MY PROFILE" to access your online services portal. See step by step instructions below.***

For more information on the online system or to inquire about its features, please contact 816-858-3368.

**1. Go to website: [co.platte.mo.us](http://co.platte.mo.us)**
